AUTOMOTIVE MANUFACTURING MEETINGS MADRID IN BRIEF

AMM Madrid is the only supply chain event in Spain that brings together automotive makers, tier suppliers and contract-manufacturers. Engineering, procurement, supply chain, fabrication, commodity teams, suppliers and service providers will meet through pre-arranged B2B meetings.

WHY SPAIN?

Spain

is the 2nd largest manufacturer of automobiles in Europe and the 9th largest manufacturer worldwide

17 manufacturing

plants installed in Spanish territory

1st European

manufacturer of industrial vehicles

1 000 companies

manufacturing components and equipment in the industry supply chain

The leading

automotive brands are established in Spain

83%

of the vehicles manufactured in Spain are exported to over 100 countries
